2. Purpose of the Contest

To enable the industry as well as observers to view the level of skills taught within the post-secondary programs and to encourage interaction between the various sectors. This relationship will ensure the skills gained by young hairstylists at all levels of training are geared to the demands of the beauty industry.

3. Criteria

4. Number of Stations / Allocations

There are sixteen (16) stations available. Subject to change depending on the venue and sponsorship.

5. Skills & Knowledge to be Tested

The level of this competition will allow the young stylists to demonstrate their technical skills and creative ability in the following three tests:

Test #1 – LADIES LONG HAIR STYLING

- Looks may include sleek/slicked back, pulled high and tight or worn half up/down in loose curls or waves, runway or catwalk looks, braiding techniques. Competitors should be prepared for anything;
- The choice of style will reflect the picture chosen by a Redken affiliate.
- All competitors will be supplied with a long-haired mannequin - Pivot point mannequin Natalia MSMZDZCT-LW;
- Mannequin will not be cut or colored;
- All hot tools are allowed for creative styling. Glitter sprays may be used;
- Competitors will bring 1-3 hair ornaments specifically for a special occasion look, whether it be bridal or red-carpet, these are of the competitor's choice and these may or may not be used;
- If ornaments are used, they should not cover more than 20% of the hair as the judges must be able to see the hairstyling work to judge it;
- The ornaments must be incorporated into and flow with the design. Ornaments should be designed to enhance the overall theme.

Test #2– MEN'S COMMERCIAL HAIRCUT ON MANNEQUIN

- All competitors will be supplied with a men's mannequin – Dannyco model # BES2MALENBUCC.
- A commercial haircut using clipper over comb, or scissor over comb, and trimmers. No guards allowed. We want to see the skill of taking extremely short hair into a gradually longer design;
- Must visually reflect the picture chosen by sponsor.
- Overall taper will be primary score, with reflection of the picture secondary.

Test #3 – LADIES COMMERCIAL CUT, COLOUR AND STYLE FROM PHOTO WITH WISHES

- Dannyco #927-BDC ladies' mannequin of golden blonde coloration will be used for this contest
- The cut will be a 'Ladies Commercial Cut' as seen in the most modern salons that follow the current fashion trends;
- All cutting tools are allowed;
- The cut should allow for ease of styling and should flow seamlessly in the finish, as a well-sculpted cut should;
- The **form or cutting technique used must reflect** the photo provided by Redken Canada, revealed at the beginning of the competition;
- Color is open and free to the competitor's own creativity and vision. It must incorporate the colors chosen by Redken Canada. The placement must complement

the cut and enhance the design, it also must fit within the category of commercial haircut;

- The finished look will show expertise in finishing a blow-dried styled design and reflect the picture provided by Redken Canada.

Competitors will receive a demerit for the following:

- Failure to treat the mannequin as you would a client in the salon;
- Not sweeping and depositing of all recyclable materials appropriately;
- Keeping workstation organized and cleaning out the sink after use;
- Out of category styles;
- Out of category color;
- Not meeting the contest requirements;
- For color staining and for missing color due to improper application;
- Safety will also be monitored and demerits can also be given for failure to follow safety guidelines as per CANS and OH&S, not wearing PPE (personal protective equipment), gloves, apron or smock, proper footwear with hosiery/anklets, socks in - closed toed shoes, heels not above 2 inches.
- Not wearing PPE for mixing, application and rinsing of colour;
- Not following provided list of checkpoints - areas in the competition that the competitor will stop, show the sages the task completed then resume working.
 - List of Checkpoints:
 - Using appropriate PPE (Personal Protective Equipment);
 - Measuring color/lightening products properly;
 - Cleaning out sink;
 - Sweeping after haircut;
 - Timing the color/lightener;
 - Through cleansing of the heads and check to see all color has been removed, no staining and no missed spots.

Important Notes

- There is no age-limit at the provincial or national competitions;
- Competitors may choose to only compete in one skills project - either of the ladies' projects – 'Ladies Long-Haired Styling' and 'Ladies Consumer Fashion Color and Cut' or may only want to do the men's project. This is acceptable however you will only be eligible for prizes in that category and will not be considered for any medals;
- Only the 'Ladies Commercial Cut and Style' and 'Men's Commercial Cut' mannequins will be given to the competitor at the end of the day.
- Long hair mannequin must be taken down, shampooed and conditioned at the end of the day by the competitors, once the judging is complete.

- Only competitors that complete all three (3) tests will receive medals. The gold medalist will represent Nova Scotia at the Skills Canada National Competition (SCNC) in Vancouver on May 28-29, 2020. This is a WorldSkills qualifying year;
- To do one competition only is perfectly acceptable, however the competitor will not qualify for the SCNC. All competitors will be eligible for prizes in any category in which they enter;
- No written test will be administered. Theoretical knowledge will be apparent in the performance of the practical tests;
- Prizes will be awarded in all competitions, as well as a 'Color Award' prize for the best overall color design. The registration fee includes a t-shirt, lunch, and low or no cost to the competitors for mannequins (pending sponsorship).

Career Skills Exhibited:

- **Haircutting** - men's and ladies, using shears, razor, texturizing shear, clippers and trimmers;
- **Hairstyling** – blow-drying, finishing and good knowledge of products and their usage, to achieve desired look. Hot tools, such as curling iron, crimper, flat iron, updo techniques such as braiding, loops, buns, overlap designs and twists may be some of the techniques used in the creation of a balanced design in long hair, and use of hair ornamentation to enhance the updo design. Men's cutting techniques using clippers and trimmers or scissor over comb techniques - no guards allowed;
- **Hair color application and techniques, and lightening techniques** – use of demi-permanent (toners) and permanent colors, and lighteners will be of the competitor's choice.

8. Evaluation & Judging Criteria

POINT BREAKDOWN – International 30 pt. System - Hair Arts and Sciences ABA Judging Panel of Canada.

All judging will be performed according to the criteria:

- The gold medalist must have completed all three (3) tests and have the highest combined score;
- For each test, in the case of a tie, judges will be called back to the competition floor to break the tie;
- The contestants with the highest combined points from the three tests plus the color mark will be the winner;
- Should there be a tie, the tabulator will look to the 'Ladies Commercial Haircut, Color and Style' to see the highest score and that person will be declared the winner;
- Should that also result in a tie then the tabulator will look at the highest score from the 'Men's Commercial Cut' and shall be declared the winner;
- Demerits may be given for any rule infractions - see below.

Any communication between audience and competitor during contests times may be seen as coaching and will cause demerits to be awarded and in some extreme cases the competitor may be disqualified.
