

APPENDIX A

Sustainable Ground Crew Support

The Nova Scotia Golf Association (NSGA) is seeking students for work during the summer months with our ground crews at municipal golf courses. Training in safe groundskeeping and landscaping work practices, and the use of a variety of small power equipment will be provided. Full-time and part-time hours are available with a variety of shifts, many starting before the golfers arrive early morning, leaving you free to enjoy the summer afternoons. Shifts on weekends, evenings and holidays will be required.

Role Overview

You will work as a member of the turf and maintenance crew to ensure optimal playing conditions for golfers. You may be scheduled for independent maintenance assignments as required. You will perform a variety of tasks including planting, weeding, mowing greens, fairways and roughs, aerating and bunker maintenance. Operation of small power equipment along with routine maintenance of the equipment will be required. Attention to detail, the ability to work early mornings and a strong work ethic are essential. Commitment to supporting the sustainability of protected land within the golf course is required.

Position Requirements:

- **Self-motivated:** you take initiative to do assigned work without close supervision.
- **Team Contributor:** you work co-operatively with others to complete tasks.
- **Customer Focus:** you recognize the impact of your work on our visitors' experience.
- **Communication:** you understand and convey information well verbally and in writing.
- **Positive Attitude:** you have a positive attitude in your work.
- **Education/Experience:** you have an interest in horticulture, landscaping, or groundskeeping (previous experience using related power equipment would be an asset but not required).
- **Licenses/Certification:** you will be required to complete WHMIS training and job specific safety awareness training.

A competitive wage is provided. Full or part-time hours are available from late June to late August. With strong performance, there may be opportunity for employment in future years.

Please email your resume and cover letter, **in one PDF file**, by 4:00 pm on Thursday, March 5, 2026 to:

APPENDIX A

Junior Tradeshow Logistics Coordinator

ABC Contracting is hiring motivated youth to support the promotion of construction trades. This summer role offers hands-on experience in the delivery of events to showcase our innovative and sustainable renovation services. We offer competitive wages, benefits, and flexible hours. Weekend and some evening availability required. Ideal for students interested in business, marketing, or event planning. Prior work or volunteer experience is helpful but not required.

Role Overview

As a Junior Tradeshow Logistics Coordinator, you'll assist with booth setup/teardown, signage displays, exhibitor check-in, product displays, and demo stations. You'll use technology to register, communicate with and support attendees, to distribute promotional materials, and collect feedback. You'll represent our brand at major expos, promoting our services and commitment to sustainability and social impact.

Position Requirements:

- **Team Contributor:** you work well in a fast-paced team setting.
- **Customer Focus:** you welcome and support guests and exhibitors.
- **Positive Attitude:** you bring energy to long event days.
- **Communication:** you interact effectively with clients and staff.
- **Self-motivated:** you anticipate tasks and take initiative.
- **Organization & Management:** you manage multiple tasks and priorities.
- **Other:** you can safely lift/move equipment (up to 15kg).

Full-time hours available from late June to late August. Strong performance may lead to continued employment.
